### #20 Art – Shape Shifter Challenge – Unusual Shapes

Choose an object in Visual Wonderland.  
Reimagine it with a different shape. What if the watermelon was square? What if the sun was triangular? Draw or paint it.

**Tip:** For best results, you may want to create your masterpiece on a separate sheet of art paper (depending on the type of art supplies you choose), and then attach the finished piece here.

### #20 Art – Shape Shifter Challenge – Whimsical Remix

Choose an object in Visual Wonderland.  
Give an ordinary object a fun twist—the teacup with wings?  
The giraffe with a rainbow mane? Draw or paint it.

**Tip:** For best results, you may want to create your masterpiece on a separate sheet of art paper (depending on the type of art supplies you choose), and then attach the finished piece here.

### #20 Art – Shape Shifter Challenge – Creative Mash-Up

Combine parts of different objects  
in Visual Wonderland to invent a brand-new  
creature or invention. Draw or paint it.

**Tip:** For best results, you may want to create your masterpiece on a separate sheet of art paper (depending on the type of art supplies you choose), and then attach the finished piece here.
